Fall 2011

Dear Prospective Donor,

Arts Academy Scottsdale (AASC) is a creative arts charter school serving the Scottsdale and Phoenix areas. AASC provides an exceptional educational setting while including the arts as an integral component. Our standardized test scores and "Excelling" label confirm that we are among the elite academic schools in Arizona.

We would like to ask for your help in continuing the exceptional academic tradition at AASC. If you participate in our annual auction you can help fund programs like language classes and our Artist-in-Residence program as well as campus improvements that benefit our students.

We hope you will be able to help us with our private fundraising efforts by donating an item for our silent auction or by becoming a corporate sponsor with your monetary contribution. We regularly host over 200 parents and friends of AASC at our annual auction. We believe this to be an opportunity to showcase your donation while supporting the continued success of AASC.

Attached you will find a donor form. Each tax-deductible donation will be recognized in the auction program and school newsletter. This school year the action will be held on Saturday, February 25, 2012. Please feel free to contact us for event information or if you have any questions regarding donations.

Thank you again from all of the families and staff at Arts Academy at Scottsdale.

Sincerely,

Keryl Koffler
